

COMPANY POLICY AT BALENCIAGA S.A.

The policy of Balenciaga, S.A. is based on the following principles:

- Generate maximum added value for our customers and for society as a whole.
- Prevent risks, avoid any harm to workers, the environment, our customers and users of our products.
- Stay above the legal and regulatory requirements that apply to us as an industry.

Balenciaga S.A., is committed to constantly innovating to improve its performance in relation to these principles.

OUR VISION:

To be recognized as one of the benchmarks in European shipbuilding for quality seriousness in meeting deadlines, flexibility towards the customer demands, financial robustness and use of innovative technology in our building processes.

Vicente Galdeano

General Director
